MINUTES OF THE GENERAL COURT

MAY 13, 1913.

THE Fifteenth General Court was opened by the National President, Mrs. Wm. Van Zandt Cox, at eleven o'clock A.M., in the Cabinet Room of the New Willard. The national officers, and representatives of State Chapters in Connecticut, Pennsylvania, Virginia, Maryland, New York, and the District of Columbia were present. The roll call, with Salutation to the Flag, was followed by the Lord's Prayer in concert.

PRESIDENT'S ADDRESS OF WELCOME.

Daughters of Founders and Patriots:

Another year of activity has passed with its joys and sorrows, and we greet you this lovely spring day with a welcome from our hearts and a steady, warm clasp of the hand.

Our Society is fifteen years old today, the thirteenth of May—a most fitting birthday for such a Society. We are growing in numbers and in strength, and are looked upon as one of the influential Patriotic Societies of America.

In the reports of the various Committees which follow, I feel you may well be proud of the work of the year. I congratulate the new Chapters for the energy displayed by their Presidents in forming them and the quick response by the members. I congratulate the older Chapters for the continued interest and help given the National Executive Committee in all things pertaining to the work of the Society. We have tried to do our duty and to serve you well and faithfully. To quote a former President, "Encourage-

ment is good," and that encouragement has been given us without stint. I thank you also for the loyal support given your President during the entire year.

CONFERENCE REPORT.

ANNUAL CONFERENCE OF THE D. F. P. A. HELD APRIL 12, 1913, AT 8 P.M., IN THE CABINET ROOM OF THE NEW WILLARD.

The Conference was called to order by the National President, Mrs. William Van Zandt Cox, who welcomed the members most cordially in her opening address.

After a general discussion as to omitting the singing of "The Star-Spangled Banner" at the General Court, when it was impossible to obtain satisfactory music, it was moved by Mrs. Getchell of Pennsylvania that whenever it was impossible to have music, the National Anthem should be read. This motion was seconded and unanimously carried.

The next question under discussion was that of the residence of the officers of the State Chapters. Miss Rhodes of Virginia, Mrs. Norton of Nebraska, Miss Hardy of Arkansas, and others all spoke in favor of allowing the officers of a State Chapter to reside in an adjoining State. Mrs. Armstrong of Connecticut asked about the law on the subject, and was told it was in the Statute Book, but not in the Constitution. Mrs. Armstrong then moved that "We, the Conference, recommend to the Executive Committee that the statutes read so that each Chapter be allowed to have its members and officers reside in an adjoining district." Mrs. Norton amended "That the selection of officers be left to the discretion of the Chapters irrespective of residence." This was passed by the unanimous vote of the General Court.

Mrs. Myers, Chairman of the Restoration Committee, read her splendid report in which she set forth that the entire sum for the restoration of the chancel of the Colonial church at Falls Church had been donated, lacking fifty dol-

lars only. The nearness of completion of the great work undertaken some years ago, made those present so enthusiastic that in a moment Mrs. W. H. Alline of Massachusetts was on her feet and pledged \$5.00 toward the small sum now needed. Mrs. Armstrong of Connecticut immediately followed with \$5.00; Mrs. Tozier of Ohio with \$5.00; Miss Hardy of Arkansas, \$5.00; Mrs. Frank Callan of New York, \$5.00; Mrs. Getchell of Pennsylvania, \$5.00; Mrs. Theodore Shelton of Missouri, \$5.00; Mrs. Van Ostrand and Mrs. Carrol Towne of Wisconsin, \$5.00; Mrs. Bushnell of Iowa, \$2.00; Mrs. Stubbs of Nebraska, \$1.00, and Mrs. Norton of Nebraska, \$2.00. The Maryland Chapter completed the sum desired by giving \$5.00, and so it is recorded that in a very few moments the Chairman was assured of the necessary amount to complete the work which the Society assumed nine years ago. Mrs. Armstrong asked whether the donations were to be credited to States, Chapters or individuals. After a short discussion it was passed to have the question decided at the General Court.

Mrs. Cox spoke of the magnificent work which Mrs. Draper and Mrs. Pealer had done, and the difficulty they had encountered while verifying the work of early days, since much that is required now, was not then, making it necessary for Mrs. Pealer to do many hours of research work before the lineage books could go to press.

The Society is constantly appealed to by the most prominent libraries for copies of the lineage books, proving the value of our work. It was here mentioned in connection with the achievements of the Society that we were the very first Patriotic Society to answer the call for money or supplies at the breaking out of the Spanish War, and the first Society to incorporate the order for retaining money in the treasury for war purposes.

At this Conference were representatives from the States of Maryland, Virginia, Arkansas, Connecticut, Massachusetts, Pennsylvania, New York, Ohio, Missouri, Nebraska, Wisconsin, and the District of Columbia.

The question of admitting ineligible daughters of eligible mothers was discussed, but it was defeated at the General Court.

The Conference here adjourned.

Respectfully submitted,

EMMA CULVER JONES,
National Recording Secretary.

RECORDING SECRETARY'S REPORT.

During the past year there have been eleven meetings of the Executive Committee. These meetings are very enjoyable, since we all have one object in view—the welfare of the Society that chose us to serve it. There have been three resignations of National officers. In January Mrs. Boynton asked that Mrs. Thaddeus M. Jones be appointed to assist her, as she could not give the time required in that department. At the February meeting Mrs. Boynton resigned, requesting that Mrs. Jones be appointed in her place. The President made the appointment, which was immediately confirmed by the Committee.

On account of ill health Mrs. Draper resigned, causing the sincere regret of the Committee, and a rising vote of thanks was offered in appreciation of her untiring work as Treasurer. Mrs. Hannay was appointed in her place and confirmed.

At the meeting of May 9th our Chaplain, Mrs. Noble, tendered her resignation, as she was not able to attend the meetings. This resignation, also, was accepted with deep regret.

Mrs. Draper requested that Miss Sallie McHenry and Miss Lucy Meriwether, sister and cousin of Mrs. Brackett, our late President, be made Honorary Life Members in her memory. In April the name of Mrs. Caroline C. A. Sherman of Virginia was added to this list.

During the year many of our members have received the last summons, and passed on to that "bourne from which

no traveler returns." The Maryland Chapter has suffered a triple loss through the death of its honored President, Mrs. R. C. Potts, Vice-President, Miss Mary Greenway, and Registrar, Mrs. Albert K. Fulton. The Connecticut Chapter has lost its beloved Vice-President, Mrs. Charles H. Pinney. The Executive Committee has lost a valued member in Mrs. Thomas W. Aldrich, Councilor. Not forgetting these, we still look forward to the coming year with the hope that our work will go steadily on so long as there are records to be preserved and eligible applicants to present them.

CORRESPONDING SECRETARY'S REPORT.

(November 13, 1912, to May 13, 1913.)

Letters written, 230. Membership cards issued, 41. Preliminary blanks, instruction leaflets, postals, including notices to Executive Committee, 330. Constitutions sent, 53. Histories and lineage books to all members. Copies of proposed amendments to the Constitution to all State Presidents, members of Executive Committee and members-at-large. Invitation to annual Conference in April sent to State Presidents and all members-at-large. Cost, not including mailing of histories, 1912, and Lineage No. 3, \$12.50.

CORNELIA ROSS POTTS.

REGISTRAR'S REPORT.

Letters received, 214; letters written, 219; permits issued, 29; applications received, 49.

During the year forty-four members have been admitted, eighteen of these were members-at-large, six entered the Ohio Chapter recently organized. Of the remainder, three were from New York, two each from Kansas and Iowa, one each from Maryland, Texas, Missouri, Oklahoma and the

District of Columbia. Of those in Chapters, Connecticut leads with eight new members; Illinois, four; New York, four; Virginia, four; Maryland, two; Michigan, two; Massachusetts, one, and Wisconsin, one.

Virginia, New York and Maryland are the only States showing an increase over the number admitted last year, Virginia leading with an increase of three.

Chapter Registrars are urged to insist upon complete preliminary papers with all references and proofs, and that no final blanks be issued until the line and service as given in the preliminary papers are verified.

As genealogists are well aware, the records of the Founders of this country are very clearly given in histories, town and county records, etc., and the line from the applicant back to the Patriot of the Revolution is, in general, easily established; but the intermediate generations between the history of the early settlers and the Revolutionary period are the danger points where so many genealogists err and make claims that cannot be established. This is the rock on which so many fine genealogical structures are wrecked. No "suppositions" should be taken by Registrars, especially in proving these intermediate generations.

The membership of this Society has now reached the number 706. We have six volumes of the records bound, 100 in each volume, and another ready for the binder.

The records of the first 100 members have been compiled and printed and this summer we hope to issue the records up to and including 200. The work is well under way by the Compilation Committee. We look forward to the time when the records will be published up to date and when this is accomplished it will be easy to issue each year the records verified during the previous twelve months.

There is already a gratifying demand for these records from librarians throughout the country and we, the members of this Society, Daughters of Founders and Patriots of America, owe a debt of gratitude to its Founders, who

"builded better than they knew" and made possible the placing before the world an enduring record of the grand achievements and heroic deeds of our noble ancestors.

Respectfully submitted,

RUTH M. GRISWOLD PEALER,
National Registrar, N. S., D. F. P. A.

HISTORIAN'S REPORT.

It is with great regret that I must acknowledge my inability to present you with a report of results achieved in my department.

In accordance with the resolution passed at the last General Court I have corresponded with the Chapter Historians relative to a reciprocal exchange of historic papers between

the Chapters and the privilege of copying such as the History Committee should select for the National Archives of the Society. The Massachusetts Historian responded promptly, cordially tendering a wealth of papers; the Michigan Historian offered some genealogical and general papers of her own collecting; others have regretted to have kept none of the papers read at their meetings; some of the Chapters have not required papers; from three Historians I have received no replies, possibly my letters have not reached them. As there developed a slight misunderstanding on the part of some of the members of the Executive Committee as to the scope of this reciprocity among the Chapters and National Society I have not proceeded farther with the work. I have also written many letters to new members.

As this is primarily a genealogical society, would it not be advisable to accept family data of allied lines? This is material little if any less valuable than that of the lineal paternal line, and of great interest.

The pretty little fireside stories for which we have sought have been so industriously gleaned from different localities by writers of general and local histories that very few sheaves remain for the new investigator. Parkman, Hawthorne, Abbot, Mrs. Stowe, Mrs. Freeland, Mrs. Gardiner, Miss Johnston and a host of lesser note have enriched our literature with these side lights upon events of national development. In fact, many of the papers in our present collection may be found in print. To be personal, my own family history leads me from Dedham to Woburn, to Bedford, to Oxford and Dudley in Massachusetts; each of these small towns has had two or three local historians, not to mention the reports of their historical societies; these bulky volumes indicate that little can have escaped their search or imaginations. For the writer with the instinct and patience for research, however, there yet remains much to be brought to light in our domestic history; but, believe me, the surface has been carefully skimmed.

I have to suggest that each member of the Society be requested to send to the National Historian such unpublished family historic data, not genealogical, as in her opinion would be of interest to other members. (See Section 3 of Article 2 of the Constitution.)

Respectfully submitted,

CORRA BACON-FOSTER,
National Historian.

RESTORATION COMMITTEE.

The Restoration Committee is pleased to report the completion of the chancel of the old historic church in Falls Church, Va.

The work was undertaken by this Society in 1905, when restoration of the entire church was being urged by the rector, Rev. G. S. Somerville.

The church, built in 1768 in pure Colonial style, had fallen into a dilapidated condition for lack of means to keep it in repair. The efforts of Mr. Somerville were directed toward restoration, retaining all the simplicity of the original and substituting new for old only where necessity compelled.

Our Society at first undertook only the altar, but later, although the entire chancel was finished in 1906 through Mr. Somerville's efforts, we were given the privilege of paying for it gradually, and incorporating it with the altar as the complete gift of the Society. Toward that end we have been working, and by special effort of the Committee we were able to report at the Conference in April that we lacked but \$50 of the entire amount, and pledges were quickly made for the remainder.

Of the \$1,400 expended for the chancel, Chapters and members-at-large contributed the greater part—twenty-seven States being represented by their gifts. Friends of our members made generous contributions, and appropriations from the treasury have been made from time to time by the Executive Committee.

The Restoration Committee was designated by our President as a committee to decide upon a suitable tablet to be placed on the chancel. This committee reported to the National Executive Committee its recommendation of a simple marker, suitably inscribed, to be placed on the chancel rail, of silver or brass as the National Executive Committee should elect. The choice was for silver, and a beautiful rectangular plate was ordered, engraved as follows:

THIS CHANCEL
WAS
RESTORED BY NATIONAL SOCIETY
DAUGHTERS OF FOUNDERS AND
PATRIOTS OF AMERICA.
1906.

The engraving was done in most exquisite manner and the plate was ready for inspection at the meeting on Oct. 13th, and received hearty approval.

On November 8th it was placed on the chancel rail, and on the following day—Sunday, November 9th—a service was held at four o'clock, consisting of evening prayer and the reading, by a vestryman of the church; of a history of the church from the first building, about 1734, and the rebuilding as now in the year 1768, down to the present time.

The service, which was beautiful and appropriate, was attended by members of the church and a delegation from our Society, our only regret being that very inclement weather prevented a fuller attendance.

Let me, for the Restoration Committee and the National Executive Committee, congratulate the Society on the completion of this work, and thank the Chapters for their splendid co-operation, without which it could not have been accomplished.

Respectfully submitted,

MARY H. MYERS,
Chairman Restoration Committee.

CONSERVATION COMMITTEE.

Madam President, and Members of the General Court:

I have the honor to report that while no great deeds have been accomplished by your committee, as such, this year; yet that the individual members have been at work in their own way upon the various Conservation problems.

The passage of the bill for the increase of the force in the Forest service, thereby diminishing greatly the danger from forest fires, was a great step in advance.

During the session of the International Congress of Hygiene, a recommendation was made and strongly urged by many members to have more care used in disinfecting the air of public places, like public schools, post-offices, etc., and it is hoped that very soon a bill will be introduced calling upon the U. S. Government to see to it that all post-offices throughout the country be cleaned as often as need to be, to prevent the spread of disease. When such a bill is introduced, I hope it will meet with the hearty, unanimous support of this committee, and the entire membership of the Society.

Believing that the conservation of the child is one of the important branches of this committee, your chairman visited the Museum of Safety while in New York last week, and was very much interested in the pamphlets issued, and the lectures given, by authority of the Board of Education in the city to protect children and others from preventable accidents; and with your permission will ask that each member of the Committee be sent the Bulletins, and be urged to use her influence with the Board of Education in her city and State, to have similar lectures established there.

Respectfully submitted,

BELL MERRILL DRAPER,
(Mrs. Amos G. Draper), *Chairman.*

May 13, 1913.

It was moved and carried that the appointment of Mrs. Hannay as Treasurer and Mrs. Jones as Recording Secre-

tary to fill the unexpired terms of Mrs. Boynton and Mrs. Draper be confirmed by the General Court.

The President stated that the amendments to the constitution had been put into the hands of a special committee to be tabulated and reported, but just as she called on the chairman for the reports it had been discovered that the paper was not in its place as it should have been. The chairman with keen regret for her mistake offered an apology to the Court for the delay caused, which was further increased by her inability to attend the meeting of the Executive Committee on June 4th. On June 24th the President called a special meeting to receive the report, which here follows:

Total number of votes cast, 540.

On Art. 2, Section 5.....	88 ayes.	2 nays.
On Art. 3, Section 2.....	87 ayes.	3 nays.
On Art. 4, Section 4.....	86 ayes.	4 nays.
On Art. 7, Section 2.....	85 ayes.	5 nays.
On Art. 8, Section 2.....	72 ayes.	18 nays.
On Art. 9.....	84 ayes.	6 nays.

Each amendment carried by more than a three-fourths vote.

HELEN M. BOYNTON, *Chairman.*

MARY H. MYERS,

CAROLINE DORSEY JOHNSTON.

The President stated that two motions recommended to the General Court by the annual Conference must be voted upon by the Court before being adopted. The first, that "Chapters shall elect their officers from outside States at their own discretion;" the second, that "When music is not available, the 'Star Spangled Banner' shall be read at the General Court." Both motions were presented and carried.

CONNECTICUT REPORT.

The eleventh Annual Meeting of the Connecticut Chapter, D. F. P. A., was held in Bridgeport at the Hotel Stratfield,

on the 29th of February, 1912, and thirty members answered to the roll-call.

During the year the Chapter has held its three regular meetings preceded by a meeting of the Executive Board; and one Special Board meeting has been held at the call of the President.

Our Chapter now numbers ninety-nine members, twelve of whom have been added since our last report. It is with keen sorrow that we record the death of two of our dear members, Miss Elizabeth B. Bullard, who died June 15, and our Vice-President, Mrs. Charles H. Pinney, December 4, 1912. Their passing leaves a vacancy and a shadow and our heartfelt sympathy goes out to the families and friends who mourn the loss of their dear ones.

The morning session of the meeting was devoted to the hearing of reports, election of officers and new members and other routine business, and at one o'clock luncheon was served in the breakfast-room of the hotel.

The President's address, the dominant note of which was "Patriotism," and the introduction of new officers opened the afternoon session. Miss Maynard of New Haven talked most interestingly of the "Italian Women of Yesterday and Today." The musical program consisted of pleasing vocal and whistling solos by Miss Topping and Miss DuBois, accompanied by Mrs. Frederic M. Card.

In June we were delightfully entertained in Bridgeport at the home of our President, Mrs. Armstrong. Detailed reports of the Business Conference of the National Society held in Washington in April and of the General Court held in May, 1912, were given by our delegates, Mrs. Chas. H. Pinney and Mrs. Robert S. Goodwin. A most enjoyable musical program rendered by the Damozel quartette followed the business session.

Our Fall meeting was held in New Haven at the Hotel Taft on October 25, when we were the guests of the New Haven ladies, whose charming hospitality always speaks loudly for itself and for them.

Mrs. Eugene Underwood gave a very interesting paper on the "History of American Coins." Trays containing coins of every denomination and period were shown at the close of the meeting. Indian songs of Cadman's group by Mrs. Grace W. Nichols were highly appreciated.

Refreshments and a social hour satisfactorily closed each of these attractive meetings.

Money to the amount of \$25.00 was donated to Old Falls church. Thanks for efficient service were given to Mrs. Draper and greetings to her successor.

Altogether the year has been prosperous and, as always, harmonious, and it is our earnest desire that the one upon which we are now entering may be even more full of interest, growth, and patriotism than those which have gone before.

Respectfully submitted,

FLORENCE A. WAKEMAN,

Secretary.

Feb. 26, 1913.

NEW YORK REPORT.

The New York State Chapter "Daughters of Founders and Patriots of America," respectfully presents the following annual report: Our full membership list records the names of ninety-five, with others coming. Eight regular meetings have been held, and the usual active interest manifested in the Society. There has been one meeting of the Council, and one card party at the Hotel Vanderbilt for the benefit of our Contingent Fund. This fund has been found useful in many ways, and has enabled us to hold most of our meetings at the "Waldorf-Astoria."

The Chapter has contributed fifty dollars more to the Restoration Fund of Old Falls Church, Va., making the New York donation to this work \$125 in all. When this work is completed I hope the Chapter will take up some suitable commemorative work in their own State, and bring more

prominently before the people this distinguished American Society.

We record with sorrow since our last report, the passing from our midst, into the life eternal of Mrs. Benjamin F. Quackenbush, Mrs. Frederick Hasbrouck, Mrs. E. B. Hinsdale, all valued and much beloved members of our State Chapter. "There is no death. What seems so is transition."

Our annual outing and luncheon on Founders' Day, May 16th, will be held this year at the summer home of the New York Athletic Club, Travers Island, on Long Island Sound. This privilege was obtained through friends of our members and the courtesy of the club-house was extended. We hope the sun will shine, and add its part to the efforts of the committee in making this day one long to be remembered.

With peace, harmony and unity among us we hope to do good work and accomplish much in the year before us.

Respectfully submitted,

F. ADELAIDE INGRAHAM,
President New York State Chapter.

PENNSYLVANIA REPORT.

Madam President and Members of the General Court:

I have the honor of announcing that the Pennsylvania Chapter has raised \$600.00 for a door in the Memorial Church at Valley Forge. Our insignia and motto will be carved upon it, and it will bear this inscription, "Presented by the Pennsylvania Chapter D. F. P. of America." We will pay for the door and have in addition a handsome sum for the presentation ceremonies at which time we hope to have all, if possible, certainly some, of our National officers with us.

Respectfully submitted,

FREDERICA C. T. GETCHELL,
President.

MASSACHUSETTS REPORT.

"Commonwealth of Massachusetts" Chapter, Daughters of Founders and Patriots of America, respectfully submits its annual report:—

During the past year, there have been held five regular meetings of the Chapter and eight of the Council. The meetings have been most interesting and inspiring, and have given us an opportunity not only for visits to historic spots, but have brought us in touch with some of the patriotic work being done for the foreign-born races in America.

Papers on historical subjects have been given, music by our own members and their guests has added not a little to our enjoyment, and the social hour which closes each meeting gives us opportunity to become better acquainted with new and older members.

The attendance is creditable and means much, as the membership is scattered through the State. New members have been added and other names are awaiting approval of their credentials.

The Chapter has given fifty dollars (\$50.00) to the Massachusetts Historical Genealogical Society; fifty dollars (\$50.00) to the Restoration of the old Church, Virginia, and has printed leaflets giving historical significance of dates of meetings, and the Committee on Suggestions for Patriotic Work is still at work. A deep sense of harmony and loyalty pervades the Chapter and we hope the coming year may only add to the measure of good work done in the past.

ADELINE C. GOWDY,
Corresponding Secretary,
Massachusetts Chapter D. F. P. A.

MICHIGAN REPORT.

The Michigan Chapter begs leave to submit the following report:

Two regular meetings have been held during the year, and Flag Day observed by a public celebration at the Opera

House, in which seventeen other patriotic organizations co-operated. Plans are now being made for a similar celebration on June 14th of this year.

The seventh annual meeting was held in March at the home of the President, Mrs. B. C. Whitney, at Grosse Pointe, and the members were entertained at luncheon.

The proposed national amendments were passed upon unanimously.

Thirteen members have been appointed on a Flag committee of the American Flag Association and the President made a member of their executive committee.

The membership of the Michigan Chapter is twenty-seven.

The past year two members have been transferred to other Chapters and two valued members have died. The Vice-President, Mrs. Katherine Rainey of Detroit, on August 10, 1912, was called home after a long illness. She was a faithful officer, and a loyal member, and the highest type of Christian womanhood. On February 22, 1913, Mrs. Henry B. Rogers of Hancock, died. She was a charter member of the Michigan Chapter.

With every assurance of loyalty and co-operation from our Chapter,

Respectfully submitted,

BEATRICE LARNED WHITNEY,

President.

VIRGINIA REPORT.

The Virginia Chapter, Daughters of Founders and Patriots of America, has just closed a successful year.

Our work has been the placing of solid concrete steps on the side entrance of The Old Falls Church, Falls Church, Virginia.

Last year we had larger steps put at the front door. Our members being so scattered it is impossible to have large attendance at the meetings, which are held each month. We have four new members this year.

Our State President attended every meeting last year of The Executive Committee and Restoration Committee, from which our Chapter derived much inspiration.

Respectfully submitted,

ESTELLE V. CALLENDER,
*President Virginia Chapter of Daughters
of Founders and Patriots of America.*

ILLINOIS REPORT.

The Illinois Chapter of the National Society Daughters of Founders and Patriots of America have during the past year held but two meetings. One at the Hotel Blackstone in the late winter, on which occasion the President read a paper on the "Vocation of Motherhood," and a most attractive musical program followed. Tea was served at the conclusion of the literary and musical part of the afternoon.

In June on "Bunker Hill Day" the yearly luncheon was served at the La Salle Hotel. There was a large attendance of attractive and charming women, and Illinois has every reason to be proud of the Founders and Patriots membership. The Society now numbers forty-six. Two of our members have answered to their names and gone on, Mrs. Charles H. Deere and Mrs. Seymour Coleman.

When the opportunity offers the Daughters of Founders and Patriots of Illinois will be found eagerly ready to do able service for all good, and for all civic up-lifting.

LAURA DAYTON FESSENDEN,
President of the Illinois Chapter.

DISTRICT OF COLUMBIA REPORT.

My report will be brief as I was elected President only two months ago. The annual election of officers was held March 7th, at which time the Delegate to the General Court of 1914 was also elected.

On April 4th we met at the home of our Corresponding Secretary, Mrs. Kirk, who gave us a charming paper on

"The French in Colonial Days." Deeply interesting family records were read by the Chaplain, Mrs. Wickham.

At our last meeting, May 2d, the National Registrar, Mrs. Pealer, gave an account of her "Forefathers" which was both interesting and instructive. The colonial paper which is a feature of our meetings was given by Mrs. McIntosh. It was a graphic description of the early struggles of the Colonists, and of Spanish misrule.

Mrs. Kinsley, the Historian, was our hostess and the afternoon was much enjoyed.

MARY C. BEACH,
President.

MARYLAND REPORT.

The Maryland report is lacking owing to the fact that the Chapter has lost three of its principal officers since last year. Two of these passed away within two months, President and Vice-President. Maryland paid the last five dollars due on the chancel of the old church at Falls Church, Va.

WISCONSIN REPORT.

It is with sincere regret that the President of the Wisconsin Chapter is obliged to forego the pleasure of being present at the session of the General Court this year. The Chapter is now in its third year, and the attendance at the meetings shows a decided interest on the part of members. There are twenty-two names on the roll, and several others whose preliminary papers have been examined by the Registrar, but not yet presented to the National Executive Committee. A small year book containing By-Laws and lists of members has been issued.

With cordial greeting to the officers and members of the General Court.

Respectfully submitted,

MARY L. ATWOOD,
President.

MISSOURI REPORT.

The Missouri Chapter has suffered a severe loss during the past year in the death of one of its charter members, Mrs. E. C. Robbins, who entered life eternal July 13, 1912, and Mrs. George H. Shields, who followed her in September, 1913. Mrs. Shields was one of the early members of the National Society and was very dear to us.

There has been no change in our officers. Several members of the Chapter attended the Conference in Washington on the 12th of April last. Four applications for membership are being prepared, so we expect four new members during the present year.

We very much regret that Missouri was not represented at the last General Court. The chapter sends cordial greetings and thanks to the national officers for their courtesy to us.

Respectfully submitted,

ELIZABETH H. DELAFIELD,
President.

ARKANSAS REPORT.

The first annual meeting of the Arkansas Chapter of the Daughters of Founders and Patriots of America, was held at the residence of our Corresponding Secretary, Mrs. John W. Ferrill, on April 3, 1913, and officers for the year were elected.

Since our report of last year, we have gained in number; we are now "a round dozen." In the year we have added three new members, and lost one. It is with great sorrow that we record our loss, in the death of Mrs. David L. Trimble (née Ella Lee Withers), of "Elmhurst," Pine Bluff, which occurred March 3, 1913. She was our Recording Secretary, and one who took an active interest in the Society. We shall ever miss her greatly.

The Arkansas Chapter has not been overburdened with wealth; however our dues are all paid, and we have con-

tributed to the restoration of the "Old Church," at Falls Church, Va.

We hope in the coming year, to be able to report substantial growth in every way. At present a number who have been invited to join our Chapter, are very busy perfecting their data.

As President of the Arkansas Chapter, it was my pleasure to attend the Conference in Washington, April 12th, and also a meeting of the Executive Committee. And it is indeed a regret to myself, and every member of our Chapter, that Arkansas will not be represented at the General Court.

With cordial greeting from the Arkansas Chapter, and thanks to the National Officers for their unvarying kindness to us.

Respectfully submitted,

STELLA PICKETT HARDY,

President Arkansas Chapter, D. F. P. A.

OHIO REPORT.

The first meeting called in the interest of forming an Ohio Chapter of the National Society of Daughters of Founders and Patriots of America, was held on Saturday, October 5, 1912, at noon, at the Woman's Club, Cleveland.

Mrs. Charles Burt Tozier was hostess at a beautifully appointed luncheon. It being requisite to the forming of a new Chapter that the names of prospective officers be submitted to the Executive Committee of the National Society at the time of the formal application for the forming of a new Chapter, the meeting of said Committee being set for Oct. 12th, 1912, the President, having been empowered by the proper National officers so to do, appointed the officers of the new Ohio Chapter.

These appointments were subsequently ratified by the members. The forming of the new Chapter was informally discussed, but no further action could be taken until after favorable hearing from the Executive Committee.

The second meeting was held at the Women's Club, at noon, on February 6th, 1913, Mrs. C. B. Tozier being again the charming hostess. Silken flags decorated the center of the table and were given the members as souvenirs of the occasion.

After the luncheon was enjoyed, the meeting was resolved into a business session and the following actions taken, the President acting as Chairman.

It was moved that there be sixteen charter members and that the charter membership be closed; also that membership to the Chapter be entirely by invitation, names of new members to be submitted to a membership committee for favorable action before any invitations are given to friends. A motion was made that this committee consist of the registrar as chairman and two other members, to be appointed by the President. Mrs. B. B. Loughhead and Mrs. Fred S. Dunham were appointed.

The society having voted to have a charter, Mrs. J. J. Wood, as Corresponding Secretary, was asked to write to the secretaries of other State Chapters to obtain information regarding charters, and after obtaining such information, to draft the charter for the Ohio Chapter. Mrs. Wood was also asked to continue to act as the Committee on By-Laws.

Mrs. Fred S. Dunham upon invitation of the President, read the proposed amendments to the Constitution of the National Society D. F. P. A.

Motion was made to have the Corresponding Secretary send letters to absent members, reporting the meetings held.

The Historian was asked to have a report ready for the Annual Conference, to be held in Washington, April 12th.

The last but very interesting feature of the meeting was the practice of the official naval salute to the Flag, in which all present participated.

Before closing this report, the Historian would like to add that the aim of the Ohio Chapter will be especially directed toward congeniality in its membership; and would

call attention to the interesting fact that in a number of cases mothers and daughters are associated as members, Mrs. R. M. Holbrook being the mother of Mrs. J. J. Wood; Mrs. West the mother of Mrs. C. R. Morgan and Mrs. H. D. Rankin; Mrs. B. B. Loughhead the mother of Miss Mary Loughhead, and Mrs. F. H. Wagar the mother of Miss Effie S. Wagar and Mrs. A. W. Barber.

MRS. ARTHUR WELLESLEY BARBER,
Historian Ohio Chapter Nat. Soc. D. F. P. A.

MRS. CHARLES BURT TOZIER,
President Ohio Chapter.

The National President requested Mrs. Myers, the Vice-President, to take the chair for the rest of the session. Ballots were distributed for the councillors to be elected. Mrs. Main moved, seconded by Mrs. Marsh and Mrs. Pealer, "that the three names receiving the three highest number of votes be declared elected for the three year terms, and the name receiving the next highest number be declared elected to fill the unexpired term caused by the death of Mrs. Aldrich." Motion carried.

Mrs. Boynton and Mrs. St. Clair were appointed tellers. Mrs. Boynton, chairman, read the result of the balloting as follows: Thirty-seven ballots received.

One hundred and forty votes cast.

Miss Webster, 35 votes; Mrs. Mitchell of Pennsylvania, 30 votes; Miss Hewitt, 29 votes; Mrs. Johnston, 15 votes; Mrs. Martin, 12 votes; Mrs. Willis, 8 votes; Mrs. Barber, 7 votes; Miss Barlow, 4 votes.

The resignation of the chaplain was offered too late to notify the Chapters. Therefore this vacancy will be filled by the President's appointment.

Mrs. Pealer asked as a special privilege to be permitted to present for the first time the names of Mrs. Denblaken, through the Michigan Chapter and Mrs. Whitney through the District Chapter. It was granted.

On account of the great demand for extra copies of his-

tories and lineage records, a motion was passed that "after the General Court of 1913, there would be a charge of 25 cents for each additional copy. One copy is sent to each member of the society to the last address furnished us.

In response to a request from members-at-large, and guests of the General Court, it was decided to ask all these, just after the roll-call, to rise and join with the members of the Court in the salute to the Flag.

The Committee was favored at the April meeting by a visit from Miss Hardy, President of the Arkansas Chapter, who told of the delightful meetings and splendid work in her State.

The Ohio Chapter, Mrs. Tozier, President, was formed on May 5, 1912, and began regular work this fall. It was pleasant to hear direct from Mrs. Tozier at the annual Conference this year.

Mrs. Potts sang most impressively the Star Spangled Banner, and the General Court adjourned.

Members and guests gathered at the charming home of the President, where a dainty luncheon was served by the hostess and her sister, Mrs. Hannay, under the fine old trees, surrounded by flowers, and distant views of blue skies. The gracious hospitality of Mrs. Cox and Mrs. Hannay finished the day in perfect fashion, their guests carrying with them when they made their adieux, pleasant memories that do not fade.

Respectfully submitted,

EMMA CULVER JONES,

National Recording Secretary.

5. Benjamin Woodcock (June 12, 1707, Attleboro, Mass.-Oct. 25, 1791, Attleboro, Mass) and

7. John Woodcock (abt. 1615, Eng.-Jan. 20, 1700, Attleboro, Mass.) and
Sarah ——— (Eng.-1676-Attleboro, Mass.), his first wife.

John Woodcock (abt. 1615-1700) of Roxbury, Rehoboth and Attleboro. Mass., is on record in Rehoboth in 1647; took the oath of fidelity in 1658. In 1666 with his sons and their families he made the first settlement in the present town of Attleboro, where on the "old Bay Road" he built a public house and fortified it against the Indians. "Woodcock's Garrison" was one of a chain of fortifications extending from Boston to Rhode Island and in King Philip's War was a noted place of rendezvous for the Colonial troops. His service as commander of this garrison entitles his descendants to membership in the Society of Colonial Wars. John Woodcock was active in town affairs as selectman and member of Committees and served several terms as Deputy to the General Court. According to some authorities he is identical with the John Woodcock mentioned in Hotten's emigration list in 1635 who went from the Bay to the Connecticut Valley in 1638 and with John Cabell built the first house on the present site of Springfield, Mass. He was later at Dedham and Roxbury and the fact that John of Rehoboth sold land in Roxbury in 1651 would seem to indicate his identity with the emigrant mentioned by Hotten. John Woodcock was an inveterate and implacable foe of the Indians and they in turn often sought his life. After his death the scars of seven bullet wounds were found on his body. His remains rest in the ancient burial place on his farm, which in a deed was reserved by him as "a burying place for his kindred and friends, forever."

Nathan Woodcock (1737-1817) a resident of Swanzey, N. H., advanced money during the Revolution to hire soldiers for the army.

MINUTES OF THE GENERAL COURT

MAY 13, 1914.

THE Sixteenth General Court of the National Society of the Daughters of Founders and Patriots of America was called to order by the National President, Mrs. William Van Zandt Cox, in the Oak Room of the Raleigh Hotel at 11 o'clock a. m., May 13, 1914.

The National Officers and representatives of State chapters in Connecticut, New York, Pennsylvania, Virginia, District of Columbia and Maryland were present. The roll call, with salutation to the flag, in which all joined, was followed by the Lord's Prayer in concert.

THE PRESIDENT'S ADDRESS OF WELCOME.

The year 1914 has found us with many names added to the list of membership and several new and enthusiastic Chapters pledging support to the National Society. It has been our pleasure to welcome these members and to extend a cordial greeting and good wishes for success to the new Chapters. The several special and standing committees have performed their duties faithfully and well. I wish to thank the Chairman and members of these committees for the work accomplished in such splendid manner.

To those of the Executive Committee, individually and collectively, I wish to express my gratitude for the loyal support so sincerely and unreservedly extended. Each member has given her time and strength and thought to the work of the Society, and has been ever ready to respond to the call of the President, with no remuneration but the knowledge that "she has done what she could" in behalf of the Society dear to her heart.

During the year many members have passed away. The list contains the names of those who have met with us year after year, and whose familiar faces we miss today. Those called come from the North, the South, the East, the West and the home of our National Society. Tributes of affection and letters of sympathy were sent from the Executive Committee, showing in part the esteem in which we held these associates and the great loss sustained by the National Society of the Daughters of Founders and Patriots. The reports of Committees and those from Chapters will tell most clearly what has been accomplished during the year, and we can congratulate ourselves upon the result. Our History and Lineage Book speaks for itself, but the letters of praise and requests for extra copies show the appreciation of the value of the work by our members and the public, which is most gratifying.

Our Society is essentially a genealogical society, though the love of country and of home is as true today as in the centuries past, when men founded their homes in the wilderness and fought to save them.

"Such is the patriots' boast
Where e'er we roam;
His first, best country
Ever is his own."

Daughters of Founders and Patriots of America, we welcome you most cordially to the Sixteenth Session of the General Court.

This date commemorates the landing at Jamestown on the 13th day of May, 1607, of those whom some of us call "Our Ancestors."

A telegram was read from Mrs. Norton, of Nebraska, regretting that she could not be present at the General Court this year, but stating that she hoped to be with us in 1915, representing a Nebraska Chapter which she was about to form, with a nucleus of 11 members. Letters of greeting

were also read from Mrs. Thomas, of Maine; Mrs. Delafield, of Missouri; Mrs. Ingraham, of New York; Mrs. Shelton, of Kansas; Miss Hardy, of Arkansas, and Mrs. Holmes, of Massachusetts.

The minutes of the Fifteenth General Court were read and approved.

CONFERENCE REPORT.

ANNUAL CONFERENCE OF THE D. F. P. A., HELD APRIL 18, 1914, AT 8 P. M., AT THE RALEIGH HOTEL.

The Conference was called to order by the National President, Mrs. William Van Zandt Cox, who welcomed the members present most graciously. Most of the national officers and representatives from Connecticut, Nebraska, Wisconsin, Michigan, Arkansas, New York, Illinois, Virginia, Ohio, Massachusetts, Mississippi, Maryland, Missouri, Iowa and the District of Columbia were present.

Minutes of the conference of 1913 read and approved.

After a general discussion as to the hour of holding the conference in future, it was decided to continue the present hour of 8 p. m., since it seemed to be the most convenient for the greatest number.

Mrs. Boynton spoke to the motion of last year concerning the residence of officers of chapters. One chapter asked that it be rescinded. After a general discussion, Mrs. Myers moved, and it was seconded and carried unanimously, that the ruling of last year be not rescinded. The motion of last year as amended by Mrs. Norton is as follows: "That the selection of officers be left to the discretion of the chapters irrespective of residence."

After discussion, Mrs. Tozier, of Ohio, seconded by Mrs. Myers, of the District, moved that invitations to the conference and General Court be printed in the Year Book as well as sent by card.

After a general discussion regarding the expenses of the Year Book, a suggestion was made by Mrs. Foster that the

annual dues be increased. This did not meet with favor and was not further considered. Another member suggested that each person pay for the book, which is our greatest expense. This was not carried. Finally it was moved and seconded and unanimously carried, "That the chapters and members at large send to the National Treasurer money for the printing of the Year Book as they see fit." Mrs. Sherman, of Virginia, honorary life member, was the first to send a contribution for this purpose. The Missouri chapter followed with a contribution of \$5.00.

The Chairman of the Nominating Committee read the nominating slate as presented by the Nominating Committee, composed of Mrs. Boynton, Chairman; Mrs. Myers, Mrs. Johnson, and Mrs. St. Clair. Nominations for active officers, 1914-1916:

President—Mrs. Cox.

Vice-President—Mrs. Boynton.

Recording Secretary—Mrs. Jones, Miss Babbitt.

Corresponding Secretary—Mrs. Potts, Mrs. St. Clair.

Registrar—Mrs. Pealer.

Treasurer—Mrs. Hannay.

Historian—Mrs. Burkholder, Mrs. Goodwin.

Chaplain—Mrs. Semmes, Mrs. Baird.

Color Bearer—Mrs. Brown, Mrs. Johnston.

Mrs. Johnston withdrew her name.

Councillors for three years, 1914-1917: Mrs. Myers, Mrs. Murphy, Mrs. McIntosh, Mrs. Dowell, Mrs. Foster, Mrs. Cornwell.

Mrs. Murphy withdrew her name.

To fill the unexpired term of Miss Webster (1915), Mrs. Martin.

As no States had responded to the call for nominations, the members of the conference were asked for names, but none were given.

Mrs. Boynton spoke of the constant growth of the Society and urged upon those present to be interested in that growth

in order that the Society might in that way come into possession of valuable records which might otherwise be lost.

Mrs. Callender, President of the Virginia Chapter, spoke to the conference of her ability (by reason of her nearness to the District) to attend all meetings of the Executive Committee and of her consequent knowledge of the excellent and faithful work of each of the present national officers and for that reason she commended them to the conference.

The business being completed, the conference stood adjourned.

Respectfully submitted,

EMMA CULVER JONES,

Recording Secretary.

RECORDING SECRETARY'S REPORT.

GENERAL COURT, *May 13, 1913.*

During the past year there have been twelve meetings of the Executive Committee, at which most of the officers were present. Five of these meetings were specially called by the President in order to attend to some pressing business caused by the natural growth and varied interests of our Society.

Kansas, under Mrs. Shelton, has formed an enthusiastic Chapter, and we hear rumors of others.

The growth of the Society is especially desired by all, as each new member brings with her valuable family records which we are so desirous of preserving.

Speaking of records, I am glad to announce that Mrs. Draper has consented to continue in her position on the Compilation Committee, where she renders the most valuable assistance.

In June of last year our President received a letter from the Secretary of the Navy, asking for the aid of our Society in his endeavor to collect all available names and data of the sailors of the Revolutionary War. Mrs. Cox was glad to offer any assistance we could render. Our Society also

sent its endorsement of the centennial of the writing of the Star Spangled Banner, to be held in Baltimore in September, and received a very courteous answer from the Mayor of that city.

Two of our national officers have resigned during the year and one has passed away. Mrs. Main, councillor, and Mrs. Foster, historian, both desired to give more time to other duties which demanded their attention. Miss Webster, councillor, died in Washington on the 2d day of February. It is hard to realize that one so long associated with the work will meet with us no more. The President appointed Mrs. Martin to fill the unexpired term.

The President called a special meeting to hear the finished report of the Restoration Committee, and to plan for the placing of the handsome silver plate, which now adorns the chancel rail, where it was dedicated during a beautiful service in the church on the afternoon of November 9th, 1913.

There is much more that I could say, and would like to say, concerning the many interesting things I have recorded during the past year, but I will refrain and leave that pleasant task to the different officers and to the Chairmen of our several committees.

Respectfully submitted,

EMMA CULVER JONES,
National Recording Secretary.

CORRESPONDING SECRETARY'S REPORT.

WASHINGTON, D. C., May 13th, 1914.

Madam President, National Officers, and Members of the General Court:

During the year beginning May 13, 1913, and ending today, the Corresponding Secretary has written 319 letters; of these 8 were to bear the sympathy of the Executive Committee to those members who had suffered affliction,

or to those families that had sustained the loss of a member who had rendered us loyal service in the work of the Society. She has sent out 661 Histories, 657 Constitutions, 443 Postal Cards, 67 Membership Cards, 23 Information Leaflets, and 19 Preliminary Blanks. In all 2,189 pieces of mail sent.

She has received 120 letters and has endeavored to keep all correspondence up to date.

In June of last year the Membership Cards were all issued and it seemed advisable to defer the ordering of more until Fall, hence those members entering the Society in June were notified of their election to membership by letter, and the cards were issued in November following, when the new supply was received.

Of the 67 Membership Cards issued, two were duplicates, the originals having been broken in the mails on account of the Christmas rush.

Membership Cards issued during the year were as follows: Connecticut, 10; Illinois, 8; Kansas, 7; Pennsylvania, 6; District of Columbia, 6; Massachusetts, 5; New York, 4; Wisconsin, 4; Missouri, 3; Michigan, 3; New Jersey, 3; Colorado, 1; California, 1; Iowa, 1; South Dakota, 1; Delaware, 1; New Hampshire, 1.

Every member at large was sent an invitation to the Conference of April 18th and the General Court May 13, 1914.

The 1913 History and Lineage Book, with a Constitution, was sent to each member. In many cases the History has been returned by the Post Office Department, after transmission of the necessary postage by the Society. This was caused by the neglect of the members to properly notify the Society promptly of the change of their address.

The National Corresponding Secretary has attended every regular meeting during the past year, and has endeavored always to bear in mind that the Corresponding Secretary is a connecting link between the National Society and its members.

It has been a pleasure to have served the Society under the able management of our President, who has been considerate, sympathetic and always just.

Respectfully submitted,

CORNELIA ROSS POTTS,
National Corresponding Secretary.

REGISTRAR'S REPORT.

Madam President, Members of the General Court and of the National Society, Daughters of Founders and Patriots of America:

I have the honor to report, as follows, the work of the National Registrar since the session of the General Court, May 13, 1913:

Letters received.....	209
Letters written.....	231
Postals received.....	31
Permits issued.....	35
Applications received.....	48
Notification cards sent.....	45

One hundred and ten application, 130 endorsement, and 60 preliminary blanks sent to Chapter Registrars; 35 application, 36 endorsement, and 73 preliminary blanks sent to applicants at large; also 45 circulars.

Since the last session of the General Court, 56 members have been admitted to the National Society; 16 of these were members-at-large, three of whom have entered the Kansas State Chapter, recently organized. The remaining forty entered through State chapters, as follows:

Connecticut	9
District of Columbia.....	7
Pennsylvania	6
Massachusetts	5
Illinois, Kansas and Wisconsin.....	3 each.
Missouri	2
Michigan	1
Ohio	1

Of the members-at-large 5 were from New York, 3 from Kansas, 2 from Illinois, 2 from the District of Columbia, and 1 each from Colorado, Iowa, Massachusetts and Michigan.

Several names are before the Executive Committee whose final applications have not been received.

General interest in the Society is increasing. Its beautiful insignia commands attention wherever it is worn, and the limitation of the eligibility for membership acts as an incentive to women interested in hereditary societies to look up their family history and prove, if possible, that they also "are to the manor born." While this increasing interest is gratifying, a danger arises that should be carefully watched, and I must again warn Chapter Registrars of the danger point in tracing family lines: the few generations between the early Colonial and Revolutionary periods.

No claim should be accepted on "supposition" or on family tradition, and Registrars should insist on complete preliminary papers, with proofs for each generation from reputable published histories, genealogies, church, probate or town records, etc. If proof is furnished from family Bibles, or unpublished records, certified copies should accompany the preliminary application.

The regular application blanks should not be issued until the Registrar has examined the line and service, with proofs, and found all correct. This obviates the necessity for return of fee and dues, as no money should be sent with a preliminary paper.

With fourteen State Chapters already organized and others under way, we can point with pride to the prosperity of our Society.

My service of ten years has been a labor of love and interest, and my association with all the members of the Executive Committee and with the Chapter Registrars has been one of harmony. I wish to thank each and every one for her encouragement and assistance to me in my work of bringing into the Society the 589 members who have entered since my first election as National Registrar.

Respectfully submitted,

RUTH M. GRISWOLD PEALER,
National Registrar, N. S. D. F. P. A.

HISTORIAN'S REPORT.

Madam National President and Members of the General Court:

I have to report very few family papers received during the past year. These, however, have been interesting and valuable.

It was planned to have one or two read at the Annual Conference, but the hour proved all too short for the other matters discussed.

As inquiry is frequently made why these contributions are not printed and distributed as anticipated, I suggest that

a selected paper be added to each year's history; the cost would be small and the effect I am sure would be good.

Many letters have been written during the year. My postage record gives 49; generally replies have been received.

Respectfully submitted,

CORRA BACON-FOSTER,
National Historian, N. S. D. F. P. A.

It was moved and seconded and passed that the report of the Historian be accepted, but that the recommendations be sent to the Executive Committee to be discussed and passed upon.

The President, Mrs. Cox, requested the Vice-President, Mrs. Myers, to take the chair, as the election of officers was in order. The voters were asked to sit on one side of the room and the non-voters on the other. Mrs. Boynton, Chairman of the Nominating Committee, read the nominating slate. The election followed.

The tellers, Mrs. Mitchell, of Pennsylvania, Mrs. Goodwin, of Connecticut, and Mrs. Fernald, of New York, declared the following officers elected:

To serve until May 13, 1916:

National President, Mrs. William Van Zandt Cox;

National Vice-President, Mrs. Henry V. Boynton;

National Recording Secretary, Mrs. Thaddeus M. Jones;

National Corresponding Secretary, Mrs. Noble Newport Potts;

National Registrar, Mrs. Peter Perry Pealer;

National Treasurer, Mrs. William M. Hannay;

National Historian, Mrs. Arthur R. Burkholder;

National Chaplain, Mrs. Alexander H. Semmes;

National Color Bearer, Mrs. Charles E. Brown;

National Councillors, to fill out the unexpired term of Miss Webster, deceased, Mrs. George G. Martin; to serve until May 13, 1917, Mrs. John J. Myers, Mrs. Corra Bacon-Foster, Mrs. Horace P. McIntosh.

Mrs. Foster moved, and it was seconded and carried, that

the General Court confirm the appointment by the President of Mrs. Martin as Councillor to fill the unexpired term of Miss Webster.

REPORT OF THE CONSERVATION COMMITTEE.

In trying to plan something for this committee which would be worth while, and at the same time not encroach on the duties of other similar committees, my attention was called to an article written by J. T. Ainslee-Walker, and read before the Hygiene Congress last year, in regard to the proper disinfection of public schools.

After correspondence with him on the matter, and with the consent of our National President, a letter was sent to each member of the Society, followed later by a letter to the Chapter Regents of the National Society D. A. R., urging their co-operation and influence in this reform. A number of most encouraging letters were received from all parts of the country; and, while I can not at this moment of writing mention any one tangible evidence of good accomplished, I know that public opinion has been stirred, and the way made more easy for some future worker along the same lines.

These letters were followed by a more limited campaign in the interest of supervised laundries, a more active interest being taken possibly when I learned (*after* the danger was over) that my own family laundry was done next to a house where there were two cases of smallpox, and that there has been constant visiting between the families.

I am happy to report that this has been actively taken up in Montclair, N. J., by the Board of Health; and an active campaign has been started by the Housewives League Magazine, and I have almost a promise that Miss Tarbell, Editor of *The American*, will also take the matter up, thus insuring wide circulation to the matter.

In November, 1913, the National Conservation Congress held its annual meeting here, and your Chairman was hon-

ored by being a member. The names of all the officers of the National Society were sent to the Secretary, at the request of the officials of the Congress, but I have been advised that through a combination of unfortunate mishaps, the invitations which the officials wished so much to send out were never received by our officers.

This is greatly to be regretted, for, while the matters discussed were mostly in regard to the control of water-power, the persons speaking were of national renown, and the Congress itself, at times, was most exciting.

In closing I would bespeak for my successor the same kind, helpful assistance that I have received, and hope that she may be able to reap in large measure where I have been only able to sow.

Respectfully submitted,

BELL MERRILL DRAPER,

May 13, 1913.

Chairman.

Mrs. Draper spoke of the wonderful work which Mrs. Pealer had done on the Lineage Book and of her unceasing labor in the Library of Congress every evening all during the summer. A vote of thanks was extended Mrs. Pealer in appreciation of her work for the Society.

The Committee on Resolutions, Mrs. Boynton and Mrs. Myers, read the resolution on the death of the loved President of the Pennsylvania Chapter and requested that a copy of the same be sent to her chapter.

After a discussion as to the advisability of separating the History and the Lineage Book, it was decided that the books should continue as usual.

REPORT OF THE FLAG COMMITTEE.

As Chairman of the Flag Committee of the National Society of Daughters of Founders and Patriots of America, I have the honor of reporting that our Committee is composed of the historians from the State Chapters.

In this widely-spread Committee we can and do watch with zealous care to guard our flag from all desecration.

The work of our Committee is to arouse and preserve patriotic sentiment in honoring our flag.

“One flag, one land,
One heart, one hand,
One nation evermore—”

“We pledge allegiance to our flag and the Republic for which it stands; one Nation, indivisible; with liberty and justice for all.”

Respectfully submitted,
SARA PATTERSON SNOWDEN MITCHELL,
Chairman.

Mrs. Draper asked that a letter of sympathy be sent to the Connecticut Chapter on the death of Mrs. Sterling.

CONNECTICUT REPORT.

Madam President, Daughters of Founders and Patriots of America:

Connecticut sends greeting. Our Chapter is growing. We number more than one hundred at present.

We hold but three meetings each year, for, although Connecticut is small, it takes three days to go from its north-west corner to most of the places of meeting—one day to go, one at the sessions, and one to return home.

Our first meeting was at the Golf Club in Hartford. After luncheon we were called to order and reports from Washington were read. Then we had singing and whistling solos.

The October meeting was held in New Haven at the Race Brook Country Club. When luncheon had been served our Historian, Mrs. Corbin, read a paper on “Heroic Women of Modern Times.” Singing and violin solos followed.

In February we met as usual at Bridgeport. The order for the day was election of officers. All were re-elected. In the afternoon we listened to a delightful musicale by Dr. Carl Dufft and Madam Mihe-Hardi, of New York. This treat was given to the Chapter by our Recording Secretary, Mrs. Wakeman, of Saugatuck.

I have to report the death of our beloved Mrs. John T. Sterling.

This is the third year I have represented Connecticut, and I hope the experience may be chronic.

Respectfully submitted,

SARA COOKE GOODWIN.

REPORT OF NEW YORK.

Madam President, Officers and Daughters of Founders and Patriots of America:

On behalf of the New York State Chapter I beg leave to report a very prosperous and successful year.

Our regular meetings have been held at the Waldorf-Astoria, with good attendance. We have had three social afternoon meetings—one in November, when we were the guests of our gracious member, Miss Day. The Reverend George R. Van de Water, D. D., gave us a most brilliant and interesting lecture on "The Founding of Jamestown, Virginia," which was followed by exquisite music and a social hour. The second social meeting was held in March, when our highly-esteemed member, Mrs. L. Bradford Prince, read a most charming paper on the "Manor Houses of New York." In April we were entertained at Mrs. Prince's colonial home in Flushing, Long Island, where we were enchanted with the wonderful collection of colonial furniture and china gathered through the many generations occupying this historic house. We enjoyed the hospitality of Mrs. Prince later, partaking refreshments from cups and saucers, plates and old silver, historically valuable beyond calculation, in age and beauty.

On May 16th we are to enjoy our annual outing on "Founders' Day" at the New Gedney Farms Hotel, White Plains, N. Y., when an informal luncheon and day together are always greatly enjoyed by the members.

The State Chapter is much interested in searching for a suitable memorial for our Society to erect to our early founders, but so far no event previous to 1687 has met with the approbation of the Committee or the approval of the Chapter, but we hope in the near future to select some date worthy of our distinguished Society, and one that will appeal to the members and call forth their united interest and effort toward this patriotic memorial work that we are pledged by our Constitution to remember.

F. ADELAIDE INGRAHAM,
(Mrs. D. Phoenix Ingraham), *New York State*
Chapter President.

N. Y., May 11, 1914.

PENNSYLVANIA REPORT.

Madam President and Members of the General Court:

Pennsylvania has sustained a sad loss in the death of our beloved President, Mrs. Frank H. Getchell, who died April 17, 1914. Mrs. Getchell was the organizer of the Pennsylvania Chapter of Daughters of Founders and Patriots of America and our first and only President. She was faithful and untiring in her devotion to our Chapter and to the work of the National Society. Nearly all our meetings were held in her house. She was deeply interested in our last work, the door that the Chapter will erect in the Chapel at Valley Forge. The report for last year, given by Mrs. Getchell, makes mention of this work. As Mrs. Getchell did not describe the door, it may be well to tell you that it is in honor of the Foreign Allies who came to the aid of Washington and our Continental Army at a time when their help was very much needed. It will be placed in the Memorial Chapel at Valley Forge at the entrance to

the Porch of the Allies. This Memorial Chapel stands, as you know, on the exact spot where George Washington knelt in prayer during the darkest and almost hopeless time of our War for Independence.

It will contain the heraldic shields of ten of the distinguished Allies, together with the shields of Washington, of France, of the United States, and the Insignia of our Society of Daughters of Founders and Patriots of America. A member of our Committee has furnished the correct description of the Escutcheons of these brave Allies who came to our rescue.

We have added several new members during the year, and our meetings have been well attended. Our Historian has given us historical papers and recently has devoted some time to the lives of the foreign Allies whose services we wish to commemorate.

Our Vice-President, Mrs. Samuel T. Kerr, paid a loving tribute to the memory of our beloved President, Mrs. Getchell, at a special meeting held April 24th.

Our Recording Secretary is ill and the writer was requested to make out this report.

With apologies for this incomplete record of a prosperous year.

Respectfully submitted,
SARA PATTERSON SNOWDEN MITCHELL,
Secretary pro tem.

MASSACHUSETTS REPORT.

Five regular meetings of the Chapter, and eight of the Council, have been held during the past year, with an average attendance gratifying, alike, to both the social and executive needs of the organization. A spirit of good fellowship prevailed, and for each Chapter gathering an interesting programme, with an attractive tea, was arranged by a committee chosen for that purpose.

Council meetings are held monthly; those of the Chapter

on dates commemorative of historical significance, so that we may bear in mind special events whereby the early patriots became the founders of our splendid nation.

The annual meeting in March, held in the Boston Art Club House, proved a "Red Letter Day" on the Chapter's calendar, for, after a most satisfactory business session, devoted to reports of officers and biennial election, the Chapter celebrated its tenth anniversary with a luncheon for members and guests. Distinctly a social and artistic success, it remains one of memory's milestones, marking the close of ten years' faithful service, and the beginning of a new decade, rich in promise and inspiration, fertile in aim and opportunity, to maintain the noble principles of our hero ancestors, in honor of whose courage and self sacrifice our Society stands.

Four new members have been added to the Chapter, and two more are to be admitted at the next meeting. The sudden death of Mrs. Helen M. Burton, the Recording Secretary, occurred very shortly after her election. Mrs. Burton was a loyal, active member of the Society for several years, and her loss is mourned by many friends.

At the Council Meeting, in April, the undersigned was appointed to fill the vacancy.

CAROLINE P. HEATH,
*Recording Secretary, Massachusetts Chapter,
 Daughters of Founders and Patriots of America.*

MICHIGAN REPORT.

Madam President, Officers and Members:

Our annual meeting was held at the Woman's Indoor Athletic Club, Detroit, Mrs. B. L. Whitney presiding. The officers of last year were all re-elected.

The usual celebration of Flag Day was waived, in favor of the Society of Elks, which desired us to co-operate with its members.

One other meeting has been held during the year, and two new members were admitted to the Chapter. We now have twenty-six names on our roll.

Respectfully submitted,
 ELIZABETH B. RANNEY,
Recording Secretary, Michigan Chapter.

VIRGINIA REPORT.

Madam President and Ladies of the Court:

The Virginia Chapter is forging ahead, regardless of the distance which separates most of its members.

We have had monthly meetings during the year and now have papers with the National Registrar for four new members.

I will give a resume of our work for the past two years: Through the efforts of our President (Mrs. Callender) a pair of magnificent brass vases, on which the coat of arms of the Washington family is exquisitely done in colored enamel, were placed on the Altar of The Old Falls Church by Mrs. Bellamy in memory of her brother, the Hon. Hugh V. Washington. Other memorials solicited for the Church were a brass book rest, two beautiful Tiffany silver alms basins, and a Litany Desk. Our former President, Mrs. Oden, gave a beautiful brass Altar Cross. This makes the beautiful chancel, restored by the National Society, complete in its furnishings through the efforts of the Virginia Society. Other work has been the placing of handsome colonial steps of solid concrete at the front and side doors of the Church.

A generous donation was given by our Society, to have the grounds properly fixed. They are now beautiful and in keeping with the dignity of this grand old colonial church.

On the outside wall is a tablet our President had placed there (when she was Regent of the Falls Church Chapter, D. A. R.), commemorating the fact that George Washington was a Vestryman of that parish.

Our President has attended all the Board and Restoration Committee meetings during the past two years. This has given her the opportunity of seeing the splendid work accomplished by our national officers. It is the hope of the Virginia Chapter that they may be continued in office.

Respectfully submitted,

ESTELLE V. CALLENDER,

*President of the Virginia Society of the Daughters
of Founders and Patriots of America.*

ILLINOIS REPORT.

The Illinois Chapter has spent one of those profitable years of rest that organizations as well as human beings are the better for indulging in now and then. We have had a number of board meetings, and in the spring held our yearly election which was followed by a most delightful luncheon. The majority of the officers of the past year were unanimously re-elected, and they are one and all deeply sensible of the honor conferred upon them and their desire is to serve Illinois faithfully and well. The Board are planning for a large reception in November, and during the coming winter and spring social and literary meetings will be arranged for.

Respectfully submitted,

LAURA DAYTON FESSENDEN,

President of the Illinois Society.

DISTRICT OF COLUMBIA REPORT.

I have the honor to report thirty-one members, five of whom have been admitted during the last year; one is a life member.

We have held eight meetings during the year, and two papers (a colonial and family) have been read at each meeting. We have had a full attendance. Interest has never lagged. It is more than gratifying to me, as its President, to speak of the thorough work of our officers; who

have aided me in every way and have made their reports interesting.

On April 20th we had the pleasure of receiving the Society and welcoming its members from many States.

We all greatly enjoy this reunion of the D. F. P. A. We are making a special study of colonial history and hope to be of great aid to historical societies of our country.

Respectfully submitted,

(MRS.) MARY C. BEACH,

President.

WISCONSIN REPORT.

Madam President and Members of the General Court, National Society Daughters of Founders and Patriots of America, Ladies:

I sincerely regret that again the Wisconsin Chapter of the Society must present its report in writing instead of through a personal representative. Though remote from the home city of the National Society, we are pleased to find a rapidly growing interest in our objects and attainments. Hardly a day passes without bringing inquiries regarding qualifications for membership. We have two regular meetings of the Chapter each year and have a membership of twenty-eight, having increased more than one hundred per cent in our four years of existence. No work of importance or general interest has been yet undertaken. With cordial greetings to the officers and members of the General Court and hoping for a successful meeting this report is

with ten members present. The President, Mrs. Delafield, being obliged to leave town unexpectedly, appointed the Recording Secretary to preside. The same officers were re-elected for another year. We have two new members, one application pending in Washington, and several still preparing their data. Our dues are all paid and five dollars contributed by the Chapter toward the expense of printing the Lineage Books. Two of our members attended the conference in Washington in April. Our ranks have been broken by the death of Mrs. George D. Fisher.

The Missouri Chapter sends cordial greetings and thanks to the national officers for many courtesies:

ARKANSAS REPORT.

The Arkansas Chapter extends cordial greeting to our national officers, members of the Court and friends assembled.

The end of the second year of the Arkansas Chapter finds us on a firm basis. We are greatly interested in genealogical and historical research, conservation and patriotic education.

We have contributed "our mite" to the Helen Dunlap Memorial School, at Winslow, Ark., a most excellent institution for mountain children.

We held our annual meeting on April 3d, and unanimously re-elected our officers.

It was the pleasure of several of our members to attend the annual conference in Washington on April 18th, and we greatly regret that we cannot be represented at the General Court.

With every assurance of loyalty and co-operation of the Arkansas Daughters for the welfare of the D. F. P. A.

President Arkansas D. F. P. A.

KANSAS REPORT.

Madam President and Members of the General Court:

The Kansas Chapter has not passed its first birthday, but we feel that we are here to stay, and we hope to make ourselves known to you.

We organized November 13, 1913, at a luncheon given by the Topeka members, at the residence of Mrs. Handy and Mrs. Shelton. We started with ten members and have added two during the year. Already we have had sorrow and are mourning over the passing on of our Historian, Mrs. Scott Hopkins.

The Chapter has held three board meetings. As we have no colonial history we have taken up the Indian history, traditions, etc., of our State. In this work the State Historical Society is giving us all the assistance in its power.

The Kansas Chapter sends greetings.

Respectfully submitted,

HARRIET HANDY SHELTON,

President Kansas Chapter.

The Court here took a recess for a social hour, during which time Mrs. Myers, the retiring Vice-President, and her sister, Miss Hewitt, one of our Councillors, were the gracious hostesses to the General Court and its visitors at a delightful luncheon served in one of the parlors of the Raleigh Hotel, which had been beautifully furnished and decorated for the occasion.

After this most enjoyable interlude we again met in the Oak Room to listen to a paper by Mrs. Boynton on "Nathan Hale," a fitting tribute to a noble hero and a happy ending of a very pleasant day.

Mrs. Sherman, one of our honorary members, brought from her home in Virginia a magnificent bouquet of red, white and blue flowers (a patriotic bouquet), which adorned the desk of our President during the General Court.

Mrs. Potts sang most pleasingly the "Star Spangled Banner," after which the General Court adjourned.

Respectfully submitted,

(MRS.) EMMA CULVER JONES,
National Recording Secretary.

In 1662 he was one of the incorporators of Marlborough, Mass., and was chosen deacon of the first church organized there. 3. Rev. Asa Merrill (Mch. 10, 1783, Stratham, N. H.–Nov. 13, 1860, Stratham, N. H.) and Esther Fowler (May 16, 1780, Epsom, N. H.–July 28, 1831, Stratham, N. H.).
4. Ford Merrill (Sept. 2, 1753, Stratham, N. H.–Nov. 12, 1826, Stratham, N. H.) and Elizabeth Merrill (dau. of Daniel Merrill) (Aug. 11, 1752, Scarborough, Me.–Oct. 28, 1832, Stratham, N. H.).

5. James Merrill (July 18, 1729, Stratham, N. H.—Mch. 2, 1784, Stratham, N. H.) and Sarah Ford (1733–June, 1800, Stratham, N. H.).
6. Joseph Merrill (May 28, 1694, Newbury, Mass.—Mch. 17, 1771, Stratham, N. H.) and Mary Palmer (m. Stratham, N. H., Dec. 16, 1718).
7. Daniel Merrill (Mch. 8, 1671–est. admin. Sept. 29, 1725, Newbury, Mass.) and Esther Chase (Nov. 18, 1674, Newbury–1751).

9. Nathaniel Merrill (ab. 1610, Eng.—Mch. 16, 1655, Newbury, Mass.) and Susanna Wilterton (....—Jan. 25, 1672), Newbury, Mass.). (m. (2) Stephen Jordan).

Nathaniel Merrill (Eng.—1655) emigrated to this country with his brother John, and it is supposed his wife, Susanna, also, and settled first in Ipswich, Mass., soon removing to Newbury, Mass., where they are mentioned as proprietors, and where he died March 16, 1655, leaving a widow, Susanna, and six children, all of whom married and left many descendants. The house, built on the original grant of land in Newburyport, was retained in the possession of the family until 1882, when, after the death of Capt. Samuel Merrill, it passed into other hands. After the death of her husband, Susanna Merrill married Stephen Jordan, a fellow passenger on the "Mary and John."

America Heraldica states that the family is of French origin, being descended from the Huguenot Family of De Merle, who escaped to England after the Massacre of St. Bartholomew in August, 1572; and belonged to the Auvergne nobility, having its ancestral estate near Place de Dombes in that province. It is certain that the arms used by a grandson of Nathaniel to seal a deed are different from the Merrill coat-of-arms as given by English works of heraldry.

James Merrill (1729–1784) and his son, Ford Merrill (1753–1826) signed the Association Test in Stratham, N. H., where they were living at the time. A "Genealogy,"

started by Ford Merrill, and beginning with his grandfather, Joseph, born in 1694, and continued to the present generation is in the possession of one of his descendants.
